You can help preserve Harwinton's aesthetic rural qualities and protect its important natural areas by becoming a member of the Land Trust. We have plenty of work to do, and would also appreciate any help you could give on a variety of activities.

Would you like to help maintain our areas?

Work typically involves spreading wood chips on trails, clearing brush, cutting dead trees, marking trails, posting boundaries, and other general maintenance. Most work is completed in several hours, and is both enjoyable and rewarding. It's also a great opportunity to meet neighbors and make new friends.

Would you like to help with fund raising?

In order to protect our natural areas well into the future and to acquire additional areas of importance to Harwinton, we need to remain financially strong. Any help or ideas for fund raising would be welcome.
