

We could use your help!

The Land Trust plans several work parties each year to maintain and improve our properties. Work includes wildlife conservation projects, maintaining trails and gardens, building boardwalks, clearing scenic vistas, planting trees, and performing other basic needs.

We could also use help with membership, social events, property stewardship and with special committees (land acquisition, public relations, social media, etc.)

You'd find working with us to be enjoyable and rewarding, and an opportunity to make new friends.

Any help you could provide would be greatly appreciated.

If you'd like to contribute a little of your time to the Land Trust, please let us know your email and your particular interest:
